ACTIVITY PROGRAMME

Discover the best the west of Ireland has to offer with full-day excursions to the Aran Islands and the Cliffs of Moher. Half-day trips include the beautiful Connemara and a river cruise from Galway City.

The school staff and mentors organise and supervise group activities two evenings per week. You can enjoy laser quest, bowling, the cinema and an Irish dancing workshop.
Our Irish rep scheme also means you get the chance to mix with Irish students at the same age as you, to find out more about the country and culture, as well practice speaking to native speakers of English.

STUDENT PROGRESSION- BECOME A MENTOR

Our student mentor scheme allows progression for participants as once you have completed a course with us (and are 20+) you can apply to become a student mentor in future years. Student mentors help the centre manager run the centre. This is a voluntary role but free accommodation is offered and student mentors gain excellent work experience, which they can add to their CVs.
