

Club 45+ Programme

2012

A comprehensive programme of English language learning, excursions and cultural activities

Welcome to Anglo-Continental

More and more people in their forties, fifties and beyond appreciate the attraction of a short, well organised study programme - especially when it's combined with enjoyable foreign travel. If you are forty-five or over, this programme offers you the ideal opportunity to visit England for a stimulating and productive holiday.

Anglo-Continental

Our School, with over 60 years of successful experience in teaching English, is accredited by the British Council and is a member of the professional body, English UK. Our campus is one of the largest in the UK and offers excellent facilities for studying English, including a multi-media learning centre, language laboratory, private study rooms, a spacious lecture theatre and free access to the internet.

Anglo-Continental is ideally situated in Bournemouth on England's south coast. Bournemouth is one of Britain's most attractive seaside resorts, with extensive parks and gardens, modern shops, cinemas, theatres and restaurants. It is an area rich in history and outstanding natural beauty - perfect for recreation, sightseeing,

visits and excursions both within and outside the scheduled programme.

Our popular self-service restaurant offers a wide range of refreshments and opens out onto a sun-terrace leading to our award-winning gardens.

Your classes

- You will study in a class where the minimum age is forty-five. There is no upper age limit.
- The classroom approach is to create an informal atmosphere for purposeful learning, conducted at a pace suitable for those who may not have been in a classroom for many years.
- Our friendly and approachable teachers will make the classes interesting and enjoyable and will use the latest teaching methods and materials to build your confidence in speaking English.
- Group activities will be arranged to improve your comprehension and communication skills, such as guided and free conversation practice, role play and discussion of aspects of British and international life, customs and culture.
