Courses for Teenagers & Young Learners

Vacation Courses for Teenagers (Age 14-16)

This summer course, run on the University of Chester campus, is only for individual teenagers and “mini” groups (maximum 10 students per group). We create opportunities for students to increase their confidence in English at the same time as they learn about the culture and customs of other nations. The afternoon activities and excursions encourage the students to work together in English, activating their language in a natural and communicative manner

English in Chester has been running Vacation Courses for Teenagers for many years. The special features of our courses are

- No large groups, so every student is known and treated as an individual
- A high student to staff ratio (10:1) – for extra care at all times
- A maximum of 80 students, allowing us to give a lot of attention to every student
- An excellent nationality mix - giving more opportunity for students to speak English
- A varied, high quality social programme
- Very good homestay accommodation with welcoming and caring families
