

Club 50+

The Club 50+ programme offers a complete package of lessons and activities, exclusively for people aged 50 and over who want to travel, meet like-minded people and improve their English.

CLUB 50+ IS SUITABLE FOR:

- the young at heart!
- mature students who want to make the most of their time on full and exciting social programmes
- anyone with a genuine interest in foreign cultures and a desire to broaden their world view

Improve your English

Our Club 50+ course focuses on practical General English in the four skills of speaking, reading, writing and listening. You will be placed in a class of just 6 students from different backgrounds and nationalities, all of whom are over 50.

Explore Malta

The excursion programme includes activities that will help you discover this unique island and its culture. You will discover Malta's incredible history and have the opportunity to enjoy the wonderful Mediterranean cuisine.

Meet like-minded people from all over the world

You will study in small classes, take part in group activities, and have free time to create friendships with people from many different countries.

CLUB 50+ ACTIVITIES AND EXCURSIONS INCLUDE:

- Welcome dinner
- Guided tour of Valletta
- Harbour cruise and shopping
- Guided tour of Mdina
- Excursion to Gozo
- Palazzo Parisio and Gardens
- Guided tour of Tarxien Temples, Ghar Dalam and Blue Grotto
- Farewell party

Club 30+

Learning English in Malta this summer will be an unforgettable experience for the over 30s.

During the high season in Malta (16 Jun - 15 Sep), students aged 30 years and over, who book General English, Intensive English or English for Work, will study exclusively with other students of the same age group at no extra cost. In dedicated classes you will focus on topics that are interesting and relevant to you and your classmates.

Family Programme

Share a family summer holiday with a difference: experience an unforgettable destination whilst learning English!

In London, Cambridge, Brighton, Malta or Boston, parents can study at one of our adult centres whilst children take part in Day Programmes. Alternatively, parents may choose to take a relaxing break whilst their children learn English.

MALTA CHILD MINDING

For parents who want to study English in Malta, day care is available for children aged 3 to 7 years. For children aged 7 to 17, EC provides a range of courses for young learners.

Request a copy of EC's Junior brochure to find out more.
