

# Programme

## English for 50+

### Christchurch

#### Emphasis

For mature students who enjoy the challenge of improving their English in a relaxed yet stimulating environment, and who relish the chance to discover the local area with other students of their own age group, our two-week language and leisure courses are the perfect choice.

These courses take place in Christchurch, an energetic city amid fantastic scenery on New Zealand's South Island.

#### This programme is right for you if:

- You want to improve your communication skills, increase fluency and build confidence in an encouraging environment
- You want to make friends with international students and combine lessons with an exciting programme of leisure activities
- You want to receive a Kaplan International College certificate at the end of your course, documenting your achievements

## Your classes

### General English classes

Our experienced teachers are all certified and qualified in teaching English and our lesson content and curricula are carefully designed to improve students' reading, writing, speaking and listening skills. You will join students of all nationalities and in most cases a variety of ages in classes which correspond to your level of English. On your first morning you will take a Kaplan International College test to make sure that your level of English is correctly assessed and you are put in the right class.

### Activities

Typical social activities for students include:

Winery tour, Punting on the River Avon, Farm visit, Jet boating and Maori concert and dinner
