1. The arrivals day is Sunday and departures are on Saturday morning. Therefore 2 weeks = 13 nights, 3 weeks = 20 nights, 4 weeks = 27 nights etc. Minimum stay is 2 weeks (except in the case of Spanish for Business, 1-1 and the 1-week versions of Spanish & Cookery, Spanish & Dance and the Teachers course).
2. After the first 13 nights all subsequent nights (whatever the duration) are calculated at the extra night price.
3. There can be no price reductions for students wanting less than 13 nights (excepting the courses mentioned in point 1 above).
4. If, due to flight schedules, students need one extra night, this can sometimes be arranged on a request basis. The extra night will always be charged. **(No extra nights are possible in apartments – if necessary extra nights can be requested in Club Hispánico).**

Student Apartments: Notes

Type A and Type B apartments are differentiated as follows:

Type A apartments

- Within 10 minutes walk of the school
- Air conditioning
- Higher level of furnishings and facilities
- Access to swimming pool (usually from May through October only)
- Single or twin rooms, self catering
- Shared bathroom(s), living room and kitchen
- Safe deposit box in each bedroom

Type B apartments

- Within 30 minutes travel time to the school
- Easy access to public transport and shops/services
- Comfortable furnishings
- Single or twin rooms, self catering
- Shared bathroom(s), living room and kitchen

All our apartments are guaranteed to have the following minimum standards and services:

- Kitchen – gas or electric cooking rings and micro-wave or conventional oven
- TV and clothes washing machine
- Maintenance – unlike privately rented apartments, we provide a maintenance service at no extra cost
- Services – there is NO extra charge for electricity, gas, water, etc. We clean the general area and bedrooms (as and when possible) once every 2 weeks. Sheets are changed each week. Otherwise the students are responsible for keeping the apartments tidy.

Bookings in apartments are accepted for between 2 weeks and 8 weeks. There will **never** be a refund if the student leaves this accommodation early. If a student wants to prolong his/her stay in an apartment we need 4 weeks' notice.

We introduced the rule of maximum 8 weeks duration for the initial booking a few years ago as we had found that long-stay students invariably decided to look for their own apartments to share amongst a group of friends as this appeared to be cheaper (usually not the case!). It has proved to be a very successful policy and we are continuing with it. However if you feel that your particular market depends on the sale of longer durations in apartments please tell us and we will work out the necessary compromise.

High Season Supplement

There is a supplement of **€ 7.00 per night** from *10 June* until and including the night of *15 September* on all types of accommodation.

New!
One-way
transfers

Airport Transfers

A one-way transfer from Málaga International Airport to accommodation in Málaga: **€ 50**

Insurance

We can offer a comprehensive insurance package including medical costs, repatriation, luggage, cancellation of course once started, etc.

If you are interested in offering such a package to your clients via Malaca Instituto please ask us for the full details.

Bank Holidays

We do not usually provide lessons on Bank Holidays. If the Bank Holiday falls on a course starting date, the new students take their Placement Test and have their orientation tour of Málaga and then start lessons the next day. To the best of our knowledge the following are Bank Holidays :

28 Feb, 5 & 6 Apr, 1 May, 15 & 20 Aug, 12 Oct, 1 Nov, 6 Dec

The school and Club Hispánico will also be closed between the following dates :

From 17 December 2011 until the morning of 8 January 2012 and from 15 December 2012 until the morning of 7 January (provisional) 2013.
