

Active English with Cork English College

Cork English College have been organising activity programmes for groups of teenagers for over 30 years with great success. Our programmes are exciting and innovative. The main aim of the courses is to improve the students' use and command of the English Language through activities. Our main centres are located in good residential suburbs of Cork City (Douglas, Carrigaline & Bishopstown). All of our activities are fully supervised by professional trainers and they are recognised by the Department of Education.

Description of Courses:

These courses offer a combination of language tuition in the mornings, sporting and cultural activities in the afternoons and evenings. Our most popular junior course is our *EL101 Summer Youth English Language & Activity Course*. The students are carefully graded on their arrival and levels range from beginners to advanced. These courses consist of 20 lessons (15 hours) formal tuition in the mornings (max 12 – 15 students per class), afternoon programme of sports, excursions, debates, video sessions and sporting fixtures arranged against Irish teams, etc. Evening activities include discos, karaoke, bingo and dvd evenings. These courses are restricted to juniors aged between 12 – 17 years.

Accommodation:

Host Family Accommodation : We carefully select our host families in order to ensure that every student enjoys their time with us. Our accommodation officer visits each family to ensure that they are of the standard that is required by Cork English College to host foreign students.

Residence : We have fully supervised modern residence complexes located in one of the cities universities. These complexes are fully furnished with every modern convenience.
