St. Benet's Hall

An Academic, Cultural and Personal Journey for Girls Only at St Benet's Hall

Studies have shown that girls advance in verbal skills more quickly than boys. It has also been found, that girls feel more comfortable learning with other girls. They tend to show more participation and better quality of work. Girls also have the opportunity to get to know their own capabilities in a shorter amount of time.

For these reasons, Churchill House has created a programme which allows girls to gain confidence in their own abilities, to advance in language competence and to have the opportunity to discuss themes from a female perspective. They also learn in a comfortable and secure environment.

These themes include Famous British Women, World Cultures and Issues, Family and Relationships and Fashion and Lifestyles.

In addition to 19 hours of Intensive English lessons, they experience an enriching cultural programme which has been created specifically for girls.

St Benet's offers an opportunity for girls to meet other girls from all over the world, to help each other learn English and to make lasting friendships.
