

## OTHER INFORMATION

**RESIDENTIAL ACCOMMODATION:** Students stay in multinational dormitories with students from different countries. Twin and single rooms are also available - full accommodation details available for each centre on request.

**HOMESTAY ACCOMMODATION:** Students share a room with a student of a different nationality. At Churchill House in Ramsgate we have 2 areas of homestay families – Ramsgate and Birchington-on-Sea. Students living in Birchington are transported to and from school by coach – supplement £15 per week.

**EXTRA NIGHTS:** Residential Campus = £45 per night    Homestay = £25 per night

**LESSON TIMES:** Students receive 3 hours actual teaching per day, total 15 hours per week. Residential Courses have morning lessons and afternoon sports and activities. Junior Homestay students also have lessons in the morning. Young Adult students taking a 15 hour per week course have lessons in the afternoon. Young Adults can book intensive 20 and 25 hour courses starting on 06.07 or 03.08 only.

**SUPERVISION OF HOMESTAY JUNIORS:** At Churchill House the safety of our junior students is our prime concern. We ensure that they are always under the supervision of our trained staff whether in class or participating in activities. Our Homestay junior students are placed in experienced families. Each centre has a junior liaison officer responsible for overall supervision. Social Club excursion tickets are sold to junior students aged 15 and under on the understanding that they agree to stay with the staff escort, group leader or another responsible adult at all times. After full day coach trips we arrange for students to leave the coach close to their families and after evening activities Activity Leaders will ensure that their students get home safely. Taxis are cheap and can be arranged easily. **Please note that Children aged 11 and under must have a Residential Course.**

**POCKET MONEY:** Students' pocket money may be deposited with the centre either before or on arrival. Notice of 2 days must be given when large amounts of pocket money are required.

**ACTIVITY PROGRAMMES:**

All Residential Courses include a comprehensive Activity Programme of excursions, sports and activities – the programmes are run by our resident Activity Leaders and their teams.

Homestay courses can be booked with the **Activity Programme** of daily sports/leisure and evening activities or with the **Activity Programme 'PLUS'** that has the additional Excursion Programme of 1 weekend and 1 midweek coach excursion per week included. The Activity Programme is managed by the Activity Manager who ensures that there is an interesting and varied programme and that all students get the most out of every activity. All juniors aged 12 to 15 must book an Activity Programme 'PLUS' and all young adults aged 16 & 17 must book at least the Activity Programme.

In Ramsgate there are separate programmes for Junior and Young Adult students. The example shown here is for juniors – please request sample programmes for Young Adults.

Extra full day excursions and multi-day tours can be added to the programmes at all centres – in Ramsgate offsite professional coaching courses known as STAR activities can also be added. The activities, excursions and trips included in the programmes do vary from centre to centre and more detailed information for each centre is available on request. If you want to book extra trips, tours and 'Star' activities, you can choose from the **Summer Social Club Programme** and we will invoice you for the correct amount.

**Activities:** Students have a daily choice of daytime (4 per week) and evening activities (5 per week). Junior homestay students aged 15 and under have their own clubrooms for evening activities. Young Adult homestay students use the main school clubroom. Residential students have most activities on campus.

**Daytime Activities:** During each activity session there are a number of different activities to choose from including Dance Classes, Aerobics, Football, Basketball, Tennis, Art Classes, Swimming to name just a few. At a single session there is a choice of up to 5 different activities for the students to choose from. Students receive instruction regarding the rules of each of the activities and have time to practise the necessary skills before the game periods. At the end of each week a Churchill House Tournament is held where students compete for points in the various activities – prizes and certificates are awarded. All activities are run by experienced Activity Leaders and each activity period is split into 2 sessions with a short break in between, for changeover of activities and refreshment.
