Edinburgh

14 June - 15 August

Recently voted as the best place to live in the UK, Edinburgh has something to offer everyone. There are a wealth of places to visit and things to do in Edinburgh, be it cultural, historical or social. This, combined with a challenging yet fun academic programme ensures an unforgettable stay. Our campuses offer excellent facilities and the chance to study in the heart of Edinburgh.

Accommodation

Residence (4 July - 31 July)

Edinburgh residence is situated at Edinburgh University's Pollock Halls of Residence in the city centre. The award-winning grounds offer plenty of inviting green areas for students to enjoy while also lying directly beneath the breath-taking Arthur's Seat. The single study bedrooms are bright and airy, offering students their own wash basins and good quality shared facilities.

Homestay (14 June - 15 August)

Homestay accommodation is a great opportunity for students to practice English outside of the classroom. Our families are experienced and really enjoy welcoming students into their homes. We place two students with each family (different nationalities), where they stay in a comfortable twin room. We provide each homestay student with a travel card, which enables them to get around the city using Edinburgh's excellent transport system.

Excursions

Our extensive activity programme introduces students to as much of Edinburgh and Scotland as possible. Our 'Clan system' ensures that all students will visit Edinburgh's top attractions including Edinburgh Castle, Dynamic Earth, Camera Obscura and many more! Our full day trips explore different areas of and include Stirling and Loch Katrine, St. Andrews and Falkland Palace and many other fascinating Scottish destinations with plenty to see and learn about.

Airport transfers

Course fees include transfers to and from Edinburgh and the airport is about 20 minutes from Edinburgh city centre. All students are met at the airport by a member of our Meet and Greet Team so there will always be a friendly face when they step of the plane.

What to Bring

We recommend that students bring:

- Summer clothes;
- Some warm sweaters for the evening
- A waterproof jacket
- Sports shoes and clothing
- Swimming costume and towel.

We are often asked how much pocket money students require and the answer is not too much! Our fees are inclusive so students do not require much additional money (only for souvenirs)

We look forward to seeing you soon!
