« A choice destination for learning German and English, Zug is a charming tourist town in central Switzerland which offers a particularly serene and secure environment for your language study stay. Welcome to the heart of Switzerland ! »

Ideally built at the foot of the first wooded buttresses of the Zugerberg, Zug, welcoming and peaceful, is situated at the edge of the lake which carries its name. Its privileged location in central Switzerland, 30 minutes from Lucern and less than an hour from Zurich, makes it an ideal departure point for visiting a large number of famous Swiss tourist destinations. The heart of this town is situated next to the quays, which groups together the terraces, shops and some lake activities. The urban infrastructures, the security of the environment as well as the variety of activities proposed make Zug an optimal place for combining studies with relaxation.
