location

The summer camp in Madrid is located on prestigious private school facilities in the heart of Europe's largest university campus and just a 15-minute ride by bus from the Plaza de España, one of Madrid's most emblematic tourist spots. Enfocamp converts this beautiful campus into a comfortable and active setting for our international campers.

Plus, the school is situated in a privileged area of the Parque del Oeste (Park of the West), an urban natural space known for its extensive green zones.

facilities

The Camp in Madrid is completely equipped with a cafeteria, computer lab, common room and dining hall. There is also a 24-hour reception desk, always attended by a staff member. Outdoor facilities include a well-kept garden area that opens onto a soccer field, a swimming pool, a gymnasium, a basketball court, a handball court and a tennis court.

ACCOMMODATIONS

The dorm rooms are in the campus' main building as well as in a separate residence hall, and most of them are doubles. Students are grouped by age & gender and we attempt to mix different nationalities.

The Home Stay program is also available for students 14 years old and over.

“I loved to be with my new friends!
Every single day we had different
things to do like games, excursions,
trips, campfires, handicrafts,
workshops... I have had a very
good time, I have met new friends
and I am very happy about all the
international friends I made.”
