SUMMER
CAMP

Supervision

The camp's proximity to the center of town makes it the perfect setting for our older, independent students. Participants aged 16 to 18 complete a solid program of 4 language lessons per day plus sports, workshops and excursions. We also permit variable curfew times and the option of leaving campus with groups of friends for the most mature students. Our Colegio Albergue campers become integrated into the city's daily rhythm and goings-on, with the added benefit of being only 10 minutes away from the beach at any given moment!

“our campers say...”

“I will never forget my summer in Marbella, nor the people I met there: monitors, teachers, coordinators, my companions. I was also able to practice my favorite sport, tennis, almost every day! Marbella is so beautiful! I hope to return next year.”

“our campers say...”

“My monitor Lucía always helped us with everything... She was like a big sister for us. In my room I had Spanish friends from Seville, Murcia, one Italian and one Russian girl who spoke less Spanish than all of us and I learned to lose my fear of speaking Spanish through helping her. It was a lot of fun.”
