location

Sevilla is the capital of Andalusia with a population of about 700,000. The historical influence of the Moors is still present in old Sevillian architecture today. This is seen most clearly in the cathedral which is one of the most spectacular in all of Spain. The famous customs and traditions of bullfighting and flamenco help make Sevilla an exciting and spectacular city for the language traveler.

facilities

Sevilla Junior Program participants will attend classes in the heart of the historic Santa Cruz neighborhood, just steps away from major Sevilla attractions like the Cathedral, the Alcázar, the Ayuntamiento (City Hall) and much more. Our school has modern facilities and is set in a building dating back to the early 20th century. Facilities include 12 air-conditioned classrooms, a roof deck, a meeting room and a multimedia classroom.

ACCOMMODATIONS

Participants may choose to share a room with another teenager in a host family that is within walking distance from the school. Students who prefer the residence option will stay in a modern building in the heart of the city's historic center, just 15 minutes from our school. Students will stay in 2- to 4-person rooms, most of which have their own full bathrooms. A full-board meal plan is included in both options.

OPTIONAL SPORTS

Not available.

PERMISSION TO LEAVE THE GROUNDS

Available under the specified terms.

CAPACITY

80 students.

The Sevilla Junior Program consists of 20 hours of Spanish classes per week according to their language level, which we determine on the first day with a placement test.

Outside of the school, teen participants enjoy an independent lifestyle, and are therefore responsible for getting to and from their commitments (classes, activities, meals, etc.). Students are also responsible for making their curfew. This independent lifestyle also means that, unlike in our other camps, afternoon activities and excursions are optional.

“our campers say...”

“My favourite part of being in Sevilla was learning how to dance Sevillanas. It was so much fun and now I want to come back for the Feria de Abril and show off everything I learned!”
