location

Valencia is Spain's third largest city and has experienced a cultural renaissance in recent years. Located on the Mediterranean coast, it's a medium-sized metropolis of about 800,000 with pristine beaches, extensive promenades, fascinating architecture and a mild, sunny climate. Valencia is a great location for a summer camp... students can visit the beach during their stay!

“I had the best summer of my life in Valencia. My favorite part was that we went to the beach every week. Also, being so close to other Spanish students made it easy to make friends. I'm definitely coming back next summer!”
