

SUMMER 2011 [for students aged 5-12]

children's adventure program Vancouver

IH Vancouver offers the CAP for children ages 5-12 of all English abilities. This program is theme-based and combines educational lessons with in-class activities and excursions.

The program includes a minimum of 2 full-day field trips per week. Our CAP staff are all accredited and certified elementary school teachers who have direct experience teaching international students.

Our small classes provide an intensive immersive learning atmosphere. Children interact with peers from all over the world, making friendships that will last a lifetime.

- **Small class sizes** (max. 15/class)
- **Offered in July & August**
 - open to groups in other months
- **CAP Vancouver includes:**
 - Tuition and local activities
- **Theme-based, multi-level program**
- **All instructors are BC certified teachers**

families and ih vancouver

The Young Learner program campus is located only a short distance from the adult program (5 minutes by bus). This program is ideal for families looking for an enriching study/travel experience in Vancouver. Tuition hours are identical for both the adult and children's programs and the school has numerous weekend excursions available for families to popular places such as the Rocky Mountains, Whistler, Victoria, and Tofino.

** IHV does not accept unaccompanied minors under the age of 12.*
