

## Repton, Derby

- Excellent sporting and educational facilities
- Set in beautiful English countryside
- Close to The Peak District National Park

Located in the heart of England and just over two hours from Heathrow airport, Repton School is situated in extensive grounds in a quiet and secluded village. Repton lies on the site of an Augustinian Priory and is renowned for its exceptional sports facilities. Study facilities at the school benefit from modern technology, while the recently refurbished accommodation is very comfortable.

### Activity and excursion programme

There are visits to the nearby cities of Derby and Nottingham for shopping and bowling. Students spend a full day in the cultural city of Liverpool learning about maritime history and following in the footsteps of The Beatles. In addition, there are excursions to Manchester and Oxford.

Students experience activities such as ice-skating, ten-pin bowling, discos, talent nights, dance workshops, various sports, shopping, fashion shows, drama and much, much more.

All activities and excursions listed are examples and may be subject to change.
