## Our complete programmes

Every day is action packed. From morning to evening students are busy, learning and enjoying themselves.

### Confident communicators

Since 1965 we have helped students master English and become confident communicators. Our courses are structured to be memorable, motivating and highly effective. We are passionate about our students' learning experience and ensure that students work hard to develop their skills, knowledge and confidence on the course.

From the moment our Young Learners arrive, Regent staff are on-hand to guarantee that they are active, learning effectively and taking a big step towards a successful future. On each course we work hard to ensure that students are engaged and communicating confidently in an English speaking environment.

### Structured learning

Students are taught in small (maximum 12) multi-national groups. On arrival students are tested and placed with students of a similar ability. The school day is structured to include activities that develop grammar, vocabulary and phonology, and provide practice in listening and speaking. Reading and writing tasks are often set for homework. Students gain enhanced communication skills, activating existing knowledge and building confidence. Throughout the course, students create a Personal Portfolio and Diary to record and reflect on their learning and achievements.

### Lessons finish, the learning continues

Juniors learn a lot with us. Learning doesn't just happen in our lessons. Throughout the course we encourage students to develop and practise their English skills – in the school common rooms, in the dining room, in the residential houses, on the activities and excursions. This helps students to activate their knowledge of English and builds their confidence in using the language.

At the beginning of their stay all students are put into multi-national teams. This integrates all the nationalities encouraging friendships and the speaking of English. Students do sports and social activities with their teams.

On homestay courses, the learner continues in the evenings and at weekends which are spent with the English family.

### A full day of entertainment

Every course includes an exciting leisure programme full of daily activities, sports and games.

Activities and events are divided into afternoon and evening programmes so that each day is well structured and offers students a stimulating and enjoyable environment.

The English Club Programme includes one full-day and one half-day excursion or visit to places of interest each week. The Intensive Club and Exam Preparation Programme include one full-day excursion every week.

Every morning before lessons, there is an assembly to inform the students about what activities are happening during the day and to give information about weekend excursions and competitions.

# Terms and conditions

## How to book a course

To secure a place on a Regent course, please return the Registration Form together with payment of non-refundable deposit

## Payment of fees

On receipt of the application and deposit a letter of confirmation is sent with a Statement of Fees which should be settled at least 4 weeks before the course starting date. In the case of registration less than 6 weeks before the course starting date, the full amount of the cost of the course must be sent with the Registration Form. PLEASE NOTE: students will not be allowed to start their course unless FULL PAYMENT has been received by the School. All bank charges must be paid by the student.

## Conditions for cancelling or changing a course by the Student

- If the School receives the cancellation before the course starting date, the School will retain the deposit.
- After the course has started, a student must give 10 days' written notice to the Principal of changes to or cancellation of a course. A cancellation fee equivalent to 1 week's course fees will be charged. Refunds cannot be made for non-attendance, absence due to illness or any other cause.
- Any refund due when a course is changed or cancelled, or a holiday taken, will be paid to the person who paid for the student's course at his/her home address at the end of the course. 'End of the course' here is defined as the last date of the course specified on the booking form (i.e. if a student books a 12 week course and decides to leave after 4 weeks s/he will not be refunded until 12 weeks after the start of the course).
- If a student is denied a student visa or study permit and provides the School with a copy of the rejection letter on or before the first day of classes, the School will refund the course fees.

## Change or Cancellation of a course by the School

Sometimes it is agreed between the School and a student that it would be beneficial for the student to be moved to another School course. When this happens only a course of at least equivalent cost will be offered by the School.

The School reserves the right to cancel a course, or make changes to course arrangements, without liability, if forced to do so for reasons beyond its control. If this happened, the School would seek to offer alternative arrangements, dates or venues.

If the School cancelled a course booked and paid for by a student in accordance with these terms other than for reasons beyond its control, and did not offer an alternative acceptable to the student, the School would pay compensation as follows:

- Where the cancellation is before the start of the course, compensation equal to the deposit paid by the student or
- Where the cancellation is after the start of the course, compensation equal to one week's fees.

## Liability and Insurance

Students should make sure that they organise their own travel insurance to cover medical costs and repatriation costs in the case of an illness or accident.

The School acts only as an intermediary between its students and travel organisations. Unless and to the extent caused by the School's negligence, the School cannot be held responsible for any delay or accident during a journey nor for any incident which may happen during the student's stay. The School will, however, endeavour to defend the student's interests in the event of breach of contract on the part of the travel organisation.

The School reserves the right not to allow on the course a student suffering from any illness, medical condition, or mental or physical disability which has not been disclosed on the Registration Form.

This brochure, issued by the School, gives the only terms and information that can be referred to in the event of a disagreement between the student and the School. These terms and conditions are governed by English law and do not affect your statutory rights under English law.
