

## Intensive Club 14-17 years old - Family Stay

Courses available year round—start date every Monday.  
22.5 hours (22.5 x 60 minute lessons) per week. Students are taught in small (maximum 12) multinational groups.

The Scanbrit Young Learners Course is a wonderful opportunity for younger students to stay in England, make friends of all nationalities and take part in the best educational programme that exists anywhere. Our day begins with multi-national classes of a maximum of twelve students, where individuals are encouraged, supported and stretched to improve their English fluency and understanding. The classes are vibrant and interesting and cover a wide variety of topics to keep students engaged in the learning process. Our specialist Young Learner teachers are dynamic, enthusiastic and motivated and this, in turn, leads to exciting and varied lessons.

### Location

Scanbrit School of English  
22 Church Road  
Southbourne  
Bournemouth BH6 4AT

## Examination Focus

At Scanbrit, we can prepare students for PET, FCE, CAE, Proficiency and IELTS exams. We have many years of experience in preparing students for these exams and have a high success rate. Our exam classes include practice papers, skills (reading, writing, listening and speaking), vocabulary and grammar "in use".

## Accommodation

### Homestay full board

Students are placed in host families in shared rooms with another young learner. They will be of different nationality, of a similar age and of the same gender.

The homestay accommodation is within half an hour walking or by bus from the school and provides a great opportunity for continued learning outside the classroom. All families meet Scanbrit's standards: the houses are comfortable, the hosts are welcoming and, above all, are genuinely interested in receiving young guests and helping them to develop fluency in the language.

Students share the family's way of life by having breakfast and dinner with them, and joining in other activities such as sports and discussions. A packed lunch is eaten at school.

### Activity Programme

At Scanbrit, we are not satisfied with just delivering the best academic programme, but we balance the focus on education with a variety of sporting, cultural and recreational activities to suit all interests. Our activity programme changes seasonally, but can include ten-pin bowling, ice skating, cinema visits, games nights, visits to museums, boat trips and local points of interest etc.

### Clothes/Sports Equipment

Students are recommended to prepare for good and bad weather and bring enough warm clothes. British weather is not very predictable! Students are provided with all equipment for sporting activities. We would advise students to bring a pair of trainers.
