### PERSONAL TRANSFER SERVICE TO/FROM SHREWSBURY

**We recommend that all students under 16 years old book our personal airport transfer service.**

Our driver will meet you in the Arrivals Lounge (he/she will hold a sign with your name on it) and will take you directly to introduce you to your host family.

*NOTE: If you can book flights to Manchester, Liverpool or Birmingham Airports, your onward journey will be quicker & cheaper. Nottingham East Midlands and Coventry Airports offer an increasing number of attractive flight options and are also easily accessible.*

#### Arrival/Departure place

Birmingham Airport  
Manchester / Liverpool Airports  
Nottingham East Midlands / Coventry Airports  
London Heathrow / Luton Airports  
London Gatwick / Stansted / City Airports

#### Price of 1-way transfer \* see notes below

By private taxi  
**£ 75**  
**£ 78**  
**£ 92**  
**£165**  
**£195**

Please ensure that you inform us of all flight details (arrival/departure times, flight nos., airports etc.) for arrival & departure flights.

#### \*Important notes & conditions regarding airport transfers:

- If 2, 3 or 4 students arrange courses and transfers together (as a small 'group') they will share the above transfer costs, but this will only apply if the students all book at the same time – invoices cannot be adjusted later (note that there will be a higher charge if more than 4 students travel together as this will require a larger vehicle.)
- Students under 16 years old who book departure transfers must **ADD £35** to the above departure transfer fees (this is to cover the additional cost of driver waiting time, because the driver may be requested by the airline to wait until the flight has taken off before departing.)
- Severn Vale reserves the right to carry extra passengers in the same vehicle without compensation or refund (this is occasionally necessary in the event of last-minute changes to flights, delayed arrival/departure flights, and traffic problems.)

### PUBLIC TRANSPORT TO/FROM SHREWSBURY

You can come to Shrewsbury by taxi (see PERSONAL TRANSFER SERVICE) or by public transport. If you choose public transport, send us your flight information and we will plan your journeys between the airport and Shrewsbury, and send you all the details. Please note that if you wish to use public transport, do not choose a departure flight for the end of your course which leaves the UK on a Sunday morning (... train and coach services to airports are very limited on Sundays.)

### KEEPING US INFORMED

You don't need to send us your flight information when you book the course, but please ensure that you inform us of all flight details (times, flight numbers, connections, airports you are flying from/to etc.) for arrival & departure flights as soon as these are arranged.
