# ABOUT IDIOM

Idiom is a training institute  
with over 30 years of experience in teaching French to foreign adults.

**What is IDIOM?** We offer lessons for all levels, from beginners to advanced. We teach General French as well as Business French and are also specialist for DELF and DALF exam preparation. Our team composed of a multilingual administration staff and highly motivated and experienced teachers will take great care of you and make sure you have the most profitable stay.

**Why choose IDIOM?** Our courses are tailored to help you reach your goals: groups only consisting of adults (minimum age: 18), small groups with only 7 students on average and highly skilled teachers who dedicate themselves to satisfy the expectations of all participants in class. We welcome maximum 50 students at the same time so that we can take care of each of our students individually.

A mature, serious and friendly learning atmosphere is guaranteed due to the age and motivation of our students.

**Very structured courses.** We offer a very clear and distinct organisation of the courses. This division into 3 distinct units structures the programme clearly and makes it transparent. A course unit (whether vocabulary, grammar or communication) represents 2 lessons of 45 minutes.

**8H00-9H30 VOCABULARY  
= 2 LESSONS OF 45 MINUTES=**

**9H45-11H15 GRAMMAR  
= 2 LESSONS OF 45 MINUTES=**

**11H30 - 13H00  
COMMUNICATION  
= 2 LESSONS OF 45 MINUTES=**

**A unique and efficient teaching method.** We do not use a specific textbook in class as a support. Why choose only one book when there is a multitude of various supports existing on the market? Our teachers are free to choose the material they want to use in class and to adapt this material to each different group or private student. In this way lessons are as lively and as tailor made as possible. IDIOM's dynamic teaching concepts offer rapid intensive assimilation of the language enabling students to feel confident in all its aspects.

## **Minor students**

Idiom can welcome minor students in the programme "Abitur/Matura preparation" only. In this case, we will send a release of liability that must be signed by the parents and sent to the school before the course starts.
