Short description	<p>The CILS certification is an officially recognized qualification and is an important tool for work and also in education and academia.</p> <p>Scuola Leonardo da Vinci is a recognized center, approved by the Università per Stranieri di Siena, for CILS certification exams.</p> <p>The CILS certification is standardized by the "Common European Framework of Reference for Languages (CEFR)" and is divided into various competence levels that this document introduces. The CILS certification levels are as follows: A1-A2 (basic learner), B1-B2 (independent learner, central), C1-C2 (competent learner). In each level the exam is divided into the following sections: written comprehension, writing skills, morphosyntactic skills, listening comprehension, oral production. To pass the exam and receive the certification, you must obtain a sufficient score in each section. If you have reached a sufficient score in only some of the sections, it is still possible to 'capitalize' on your positive results and, within a calendar year, you may repeat the test only for the sections in which you had not previously reached the minimum score required to pass.</p> <p>The CILS is the first certification of Italian to have achieved these specific modules for foreign workers in Italy. It is important to remember that the CILS A2 module integration is recognized by the Ministry of Foreign Affairs for 'Fluency in Italian'. This is helpful for obtaining the residence permit for long period stays.</p>						
Course Preparation	<p>Scuola Leonardo da Vinci organizes specific courses for those who want to obtain the CILS certification. These courses are held during the weeks immediately prior to the exam dates established by the Università per Stranieri di Siena and aim to provide thorough preparation with regard to the different skills required. The preparation analyzes and tests the evidence of previous examinations, while also identifying specific problems that the teacher may identify.</p>

ITALIAN TOUR

A program combining travel with a love for learning

Discover your Italy and select your destinations from four of Italy's most memorable cities: Florence, Milan, Rome and Turin.

The program consists of 20 group language lessons in each of the cities for 2, 3, 4 and more weeks. The schools all offer the same course structure but in varying architectural and historic settings.

You will learn about the Italian language and culture without the usual hassles of travel: The school will provide transportation assistance and take care of the appropriate class level, accommodation and extra activities.

Through your study of Italian language, culture and art and your immersion in contrasting landscapes, regional traditions and cuisine, you will find Italian Tour a profound and satisfying travel experience.

FLORENCE

Home of Classical Italian and the Renaissance, Florence is situated in Tuscany along the famous Arno River.

Considered the center of modern western history and culture, it has brought us such greats as Michelangelo, Leonardo da Vinci, Dante and Boccaccio.

Our skillful teachers find a delight in helping you learn the language of these immortal masters as they guide you through the city's beautiful monuments, rich literary traditions and artistic wonders.

MILAN

Our knowledgeable staff and teachers will introduce you to Milan, by far Italy's most cosmopolitan city.

Here you will find a mixture of ancient roots and modern technology, where illustrious houses of fashion, chic restaurants, big banks and the Italian Stock Exchange share space with a stunning Gothic cathedral, the Sforza Castle, Leonardo's Last Supper, and the marvelous Brera Art Gallery.

An intriguing atmosphere of modern international flair and Old World charm awaits all who visit.

ROME

Rome is one of the most beautiful and unique cities in the world, featuring more than 2600 years of European history and culture. A veritable living museum, Rome has three million inhabitants, ancient ruins, magnificent fountains, and elegant shopping districts, all filtered through the seductively sweet Italian lifestyle known as 'la dolce vita'.

The enthusiastic school team will teach you the language of the poets as they help you discover the many treasures of this enchanting city.

TURIN

The cheerful and cozy atmosphere of our school will welcome you to Turin, one of the most fascinating and mysterious cities in Italy.

Surrounded by hills and mountains, the first capital of Italy enchants the visitor: baroque buildings and futuristic architecture, antique art collections and international film exhibitions, the Egyptian Museum, which is the second most important in the world for its archaeological exhibits, and sports teams of global renown.

Our expert staff will guide you with enthusiasm as you learn the Italian language and discover Turin's cultural traditions, stunning architecture, delicious chocolate and fine wines.

SCUOLA LEONARDO DA VINCI® FLORENCE

THE CITY

Florence, in the heart of Tuscany, is the cradle of the Renaissance and the classical Italian of Dante, Petrarch, and Boccaccio. While other European cities still lived in the Middle Ages, modern art and culture developed here under the reign of the Medici. Today in Florence one can visit and admire the masterpieces of artists like Botticelli, Michelangelo and Leonardo da Vinci in world-famous museums (the “Uffizi”, the “Accademia”, “Palazzo Pitti”), in beautiful churches, or even on a casual walk through the city.

The “Ponte Vecchio” connects the lively and historic city center around the Cathedral with the quieter neighborhood on the other side of the “Arno” river. Florence's urban landscape is distinguished by beautiful squares like “Piazza della Repubblica” and “Piazza della Signoria”, by small streets and winding medieval alleys, by various markets, and above all by the marvelous cupola of the Cathedral, visible from almost everywhere in the city.

Today Florence attracts tourists from all over the world who find here, besides history, everything to make them feel at home: Tuscan food and the best Italian wines, numerous bars and discos, a traffic-free center, and many inviting shops.
