"Hello Lisa and Team,

We`re back home and would like to let you know that we really enjoyed our stay in Wexford.
Jan-Luca and Elena had lots of fun, they especially liked the playful way of teaching and loved Greg.
Afternoon and evening activities were well organised and thanks to Colette, Jim and all the other staff members they always had someone nice to talk to. Location and size of our apartment suited us perfectly, the kitchen was well equipped. Additionally, we were lucky with the weather...:-)
Overall, it´s a 10 out of 10!"

"Everything went fine for our groups spending 2 to 3 weeks in Wexford. Sometimes we take for granted that everything should be fine, but we know there is a lot of work for these programmes to be successful. We would like to congratulate and to thank all your teachers, Anne, Emma, Jim, Esteban and you, Lisa. From Green Frog we appreciate everything you did to help us. The host families are a very important part of the students' stay, and they were very kind to our participants."

Green Frog, Spain who sent a group for our 'Summer Teen Programme'

We are proud of the fact that many of our students return to us year after year.
Thank you so much for coming again, you are part of the Slaney Family!

"This summer my family came back again to Wexford and our daughters (12 and 10) have joined the language courses the third time. The kids love the courses and to go every morning in the school. The teachers are able to inspire them. I'm not the expert how they do it but I hear from my kids that they worked in groups and played a lot. The afternoon and evening activities are optional. This is important for us because kids of different ages have different interests and I do not have to pre-book the whole week when parts of the programs are just not the right ones for them. The school is centrally located and there is enough space, best weather within Ireland, nice beaches. I'm sure that we will come back again."
