INTERNATIONAL HOUSE TORQUAY

Torquay, nestled in the heart of the South West of England, is England's **hidden gem** for international language learners.

Torquay is part of Devon, the place British people come to **escape the stress of big cities**. It's a beautiful area, where locals have time to talk to you. There is **lots to see and do**, from history and culture to golf and surfing.

- We are **renowned in the UK for the highest standards** of our homestay hosts and accommodation
- We are the **only school in the South West of England that has EAQUALS** accreditation; the toughest accreditation for any language school to achieve
- We have **specialised courses for all ages**, including for **over-30s** and **over-50s**
- You will find a **professional** approach, with **small class sizes** and study groups
- **Progress will be rapid** and you will **achieve the goals that are important to you**
- There is **impeccable attention to detail** for every aspect of your learning journey, from arrival to beyond departure
- We are building on our **reputation for quality and service**, student-by-student

Torquay International School has been teaching for over 45 years and recently became a partner in the **International House** global network for outstanding schools. We are now **International House Torquay**, still **independently owned and run**.

"I love the challenge of every newly-arrived student. I try to put myself in that person's place and ask myself what I would want and need to make this the experience of a lifetime. Without doubt, I have the best team in the UK. My school stands as a beacon of independence, quality before profit, and people first."

Kevin McNally,
Director, Owner

OUR SCHOOL

There aren't many places in Britain that you will find palm trees, but you will find them in Torquay, along with award-winning beaches, friendly faces and many cultural, historical and natural attractions.

It's the perfect setting to focus on your goals and see fast, tangible results in your learning, while soaking up British culture. Our experience is that people learn better when they are happy and relaxed.

We run the school with heart and soul. Students return to us time after time and recommend us to their family, friends and colleagues. We are now welcoming students from the third generation of some families.

We have a great mix of students, with over 30 different nationalities visiting us from all over the world. The school is a professional setting but one where everyone knows your name.

The school is located just a few minutes' walk from Torquay town centre.

ACCOMMODATION

The attention to detail and personalised approach of our courses extends to our accommodation.

HOMESTAY

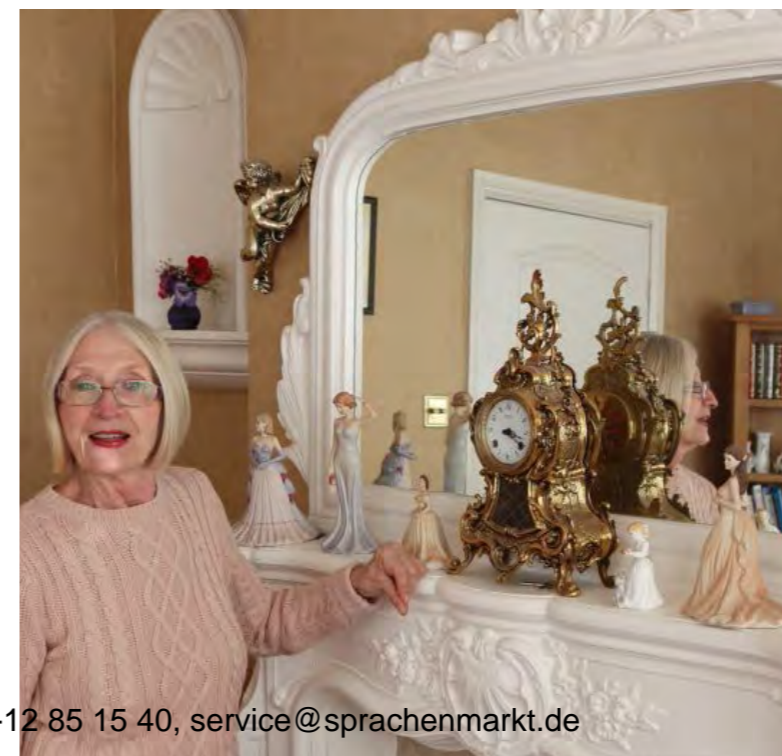

We are told we have the best homestay hosts in the UK.

We offer homestay accommodation, with welcoming hosts, who treat students as part of the family. Practise your English with conversations around the dinner table.

Our hosts give that bit extra to ensure you enjoy your stay. For example if a host lives more than 25 minutes' walk from the school, they will bring you to school by car each day.

Whatever your age, nationality or requirements, we have no hesitation in recommending our friendly homestays. We match each student to their appropriate host:

- You will be treated as an important member of the family
- Your hosts will eat dinner with you in the evenings
- You will have your own room with a bed, storage for clothing, and a desk or study area
- Your hosts will always communicate with you in English
- There will never be more than 4 students or guests staying in the homestay at any time
- You will be the only student of your 1st language (unless you request to stay with a friend)
- We match students to their appropriate host. Remember to tell us about your dietary needs, requirements and preferences.

PREMIUM APARTMENTS

We have premium self-catering apartments in Torquay, suitable for families, friends or independent travellers.

The apartments are easily accessible from the school and town centre. They are beautifully decorated and offer spacious living accommodation. The apartments have modern fixtures and fittings and are perfectly situated with a range of nearby restaurants, pubs and supermarkets.

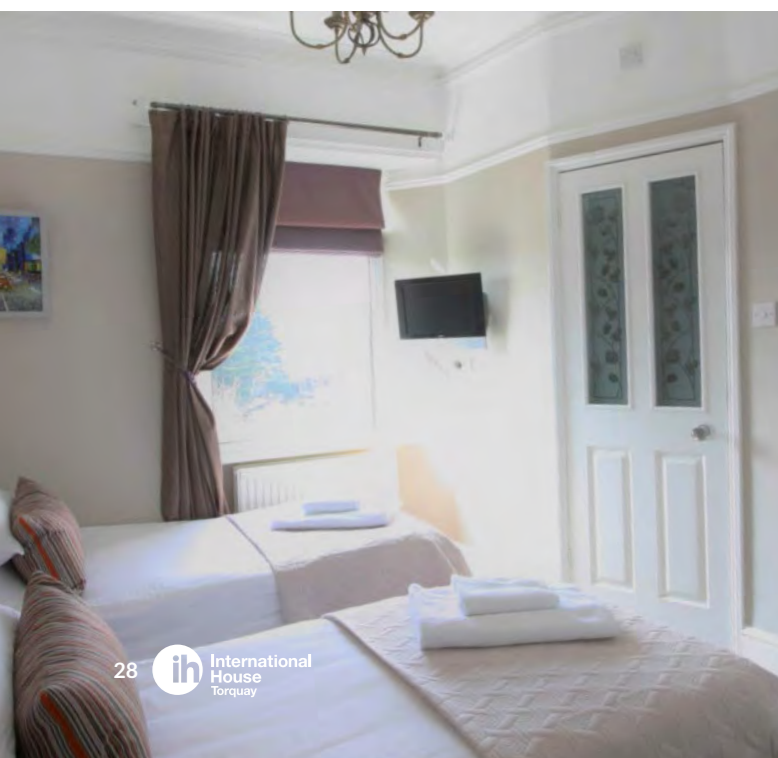

The apartments are self-catering but if you'd like us to provide some food items for your arrival, just send us your shopping list the Friday before your arrival weekend and we'll arrange it for you.

OUR PARTNER HOTELS

We have various partner hotels located near the school.

You will enjoy a warm and friendly atmosphere. In the evenings you can study or join your fellow students for a drink at the private bar. All the rooms have a single or double bed and a private bathroom.

Contact us for a list of all partner hotels.

HOW DO I BOOK A COURSE?

You can book through your local educational tour operator in your country or you can book with us direct, either online, by phone or over email.
