

# Paris-Igny

## The City of Lights

A charming small town to the south-west of the Paris Metropolitan Area, nicknamed the Garden City, Igny is an oasis of fresh air and greenery located barely 40 minutes by train from the heart of the capital. Thanks to this favourable situation, the participants can combine language classes, sports and residence accommodation in a magnificent and perfectly safe environment while taking advantage of the proximity to Paris to discover the marvels of La Ville-Lumière.

Admire the French capital from the top of the Eiffel Tower or from the bridge of a river boat, sit down for a 3D projection which is even better than the real thing at the Géode of the Museum of Science, pose beside the wax statue of Zinedine Zidane, stroll along the lively small streets of the Latin Quarter, applaud the Beaubourg street artists or admire the splendours of the Palace of Versailles... it's all there for you to enjoy during your language study trip to Paris!
