

**THE APPLEBY COLLEGE**  
**SUMMER ESL PROGRAM**

**FOR STUDENTS AGES 12-16**

# ABOUT THE APPLEBY COLLEGE **SUMMER ESL** PROGRAM

Appleby College's Summer ESL Program provides students with an outstanding learning experience while offering the ideal program length and style for English language learners of all levels.

Our programs are designed for students who have an interest in improving their English communication skills, as well as those who plan to attend secondary school or university in English speaking countries. Through these courses, students will learn about Canadian culture as well as authentically Canadian expressions.

## WHAT WE OFFER

An experiential English language learning program in a safe, supportive and diverse environment at one of Canada's leading independent schools. We are proud to offer small class sizes for personalized attention and instruction, led by great teachers who provide fun and experiential lessons that take place in and outside of the classroom. Our excursions highlight the best that the region has to offer. Our ideal location – between Toronto and Niagara Falls – allows us to take students on many exciting day trips. Students in our program build communication and life skills, develop increased confidence and independence and a taste for adventure, all while immersed in a diverse and inclusive English language environment that is distinctly Canadian. Following participation in our program, students leave with a certificate of completion, a comprehensive learning report and a sense of belonging in an international community.
