ABOUT ACADEMY BOARDING

The Appleby College Academy Boarding Program is designed to bring together academically-minded individuals and groups from around the world to live, play and learn on our beautiful lakefront campus.

The program allows participants ages 12 to 15 to immerse themselves in a truly unique Canadian experience, while exploring the beauty and culture of Canada through academic programming, recreational activities and exciting excursions.

WHAT WE OFFER

International students ages 12 to 15 are immersed in Appleby's outstanding Enrichment and Leadership programs alongside Canadian and international peers. Each week, students are able to choose a program from a variety of offerings that focus on unique topics. Students are required to have high intermediate to advanced English levels, and an online English assessment is part of the admissions process.

Evenings and weekends are full of engaging activities and excursions to some of the region's most exciting attractions. Students become part of the Appleby summer community and live in our comfortable boarding houses, building long-lasting, cross-cultural friendships in a safe, inclusive and welcoming environment.

The Academy Boarding Program gives students the opportunity to explore new interests, gain confidence and improve communication skills in an English-speaking classroom, and develop critical thinking and problem-solving skills. The result is that students build character, become more independent, and grow as leaders while feeling a sense of belonging as part of the Appleby community.

EXCLUSIVE PROGRAM OPTION: ACADEMY BOARDING + CAMP KANDALORE

Combining 2 weeks at Camp Kandalore with 2 weeks in our Academy Boarding program, students truly experience the best of both worlds – surrounded by nature for the first half, and living at one of Canada’s premier independent schools for the second half.

With over 70 years of tradition and history, Camp Kandalore is one of Canada’s premier overnight camps. Famous for its canoe tripping program, every session includes a canoe trip ranging from 2 to 5 days in length. The rest of the session is spent at camp, enjoying everything Camp Kandalore has to offer:

- Land sports such as indoor rock climbing, yoga, basketball, mountain biking and gagaball
- Water sports such as snorkeling, waterskiing, water trampoline, K2 waterslide and Plunja
- Exciting and ever-changing evening programming
- Arts and crafts such as bracelet making, woodworking, and pottery, with handmade pieces cured in our own Kiln
- Team swing activity where campers work as a team to raise their peers into the treetops for the most thrilling swing of their lives!
