Brighton

A truly exciting city

Brighton is one of the most cosmopolitan cities in the UK and located just 50 minutes from central London by train. It has much of what London has to offer; a notable difference being that Brighton is a seaside resort city.

Brighton is the UK's most popular seaside destination and a truly exciting city with its own identity. Brighton is a unique, upmarket and welcoming place mixing historic buildings, diverse nightlife, trendy boutiques, a rich theatrical and music scene, fabulous clubs and bars, family entertainment, eclectic shopping, 2 universities and a beach front which is one of the most visited in the UK. Not only that, but with the beautiful South Downs National Park close by, offering rolling hills and stunning cliff top coastlines, Brighton is a city with plenty to offer.

Brighton is famous for the Royal Pavilion; the home of King George IV (The Prince Regent) which he often visited as a holiday destination leading a luxurious lifestyle. Since the eighteenth century, Brighton has had the reputation for being a relaxed and vibrant city. Londoners have been travelling to Brighton and the beach ever since the railway arrived in 1841 to bathe in the sea and they still do today to get away from the pressures of city life. Brighton Palace Pier and the Royal Pavilion are the main sights, but you will also find hundreds of pubs and clubs attracting an energetic crowd. The city is now also home to the British Airways i360, the world's thinnest moving observation tower (162m) with views along the coast, across the South Downs and across the English Channel.

Brighton comes alive when the sun is shining; people fill the streets and head down to the beach at every opportunity. Brighton is one of the lead cities in the UK to host a Pride festival, a celebration to promote equality and diversity (LGBTQ+). The major event

is an annual summer festival held in the first week of August which consists of a parade through the city centre, an event in Preston Park and the Kemp Town Village Party with major artists performing (2022 headline artist being Christina Aguilera).

For a quieter place in the sun just head west and pass the seafront bars and the old West Pier (Brighton's ghostly pier that caught on fire in 2003). However, Brighton is an all-season city and even though it can be crowded on a hot summer's day from September the crowds are less but the city still retains its charm.

If the city-life is too much for you, you can always have a break in the fabulous South Downs National Park. Just take a bus or train and in 20 minutes you are walking among green hills, strolling along cobbled streets and enjoying some of the most beautiful coastline views England has to offer.

Brighton & Hove Albion FC were promoted to The Premier League in 2017. Also known as "The Seagulls" their Premier League status means that in the 2023/24 season Brighton are playing against some of the biggest football teams in England at The Amex Stadium in Brighton.

Brighton and Hove Albion finished in 6th position at the end of the 2022/2023 Premier League season meaning that for the first time in the club's history we qualify to play in the in the UEFA Europa League 2023/2024.

Whatever it is you are looking for to complement your studies and free time, Brighton has a lot to offer.

B2 First for Schools

The B2 first for schools (previously FCE for schools) is a 4-week summer academic course designed for school-age learners rather than adults. The course has a specific start and finish date so that students can take the final examination at the end of the course. The course timetable is designed to match with the Summer Vacation schedule so that all students participating on this course can experience the junior vacation activities with other international students. On the last Saturday students must take the examination instead of participating on the full day excursion. A BLC activity leader will bring all B2 First students to the examination centre. After taking the examination, any students who have passed are sent a final Cambridge accredited examination certificate.

B2 First for Schools qualification shows that students can:

- » communicate effectively face to face, expressing opinions and presenting arguments
- » write clear, detailed English, expressing opinions and explaining the advantages and disadvantages of different points of view
- » follow the news
- » write letters, reports, stories and lots of other types of text

Family Courses

Family courses are innovative and challenging; designed for children to build their confidence and to engage with the English language. BLC International uses a theme based approach with an emphasis on speaking to develop communication through carefully structured and interactive activities in class.

All students are assessed on their first Monday at BLC International and put into their correct age appropriate class level.

As a parent you can study at the same time as your child studies, or just relax and enjoy what Brighton has to offer. Family Vacation courses are available over the Easter weekend.

BLC International can provide home stay accommodation for families of up to 2 living together. We recommend larger families book their own private accommodation through specialist agencies in Brighton. The college can recommend a selection of agencies if requested.

Explorer 1 / Explorer 2

Your child develops key skills from an early age through communicative activities contributing to the rapid development of their language recognition and performance. The course is designed to ignite your child’s learning desire through the initial stages of language learning or to facilitate and increase confidence already gained. A range of class exercises from reading and writing to listening and speaking are used in class through a syllabus which is dependent on the level of the student. Explorer 1 is designed for students age 7-9, Explorer 2 is designed for students age 10-12.

Explorer 1+ / Explorer 2+

Explorer + students complement their morning tuition with an exciting activity programme designed to promote communication in stimulating environments.

Children study 3 hours of classes each day Monday to Friday then have carefully guided afternoons activities. The activities are an exciting part of the afternoon which also improves English communication skills as Explorer + students interact with each other together and with their Explorer + BLC International leaders.

Activities finish for 16:15 every day, when your child is collected by you from the school.
