

Royal Russell is a traditional English boarding school set in acres of woodland in an area of outstanding natural beauty. Her Majesty the Queen is the patron of the school and she has visited on a number of occasions. It is situated in an “oasis” of green and yet is only minutes from central Croydon with very easy access to central London and its world famous attractions. With spacious playing fields and a university style campus atmosphere the school provides a wonderful environment for a summer vacation English language course.

ACCOMMODATION

Royal Russell has 4 accommodation blocks separated into girls’ and boys’ houses. Some rooms have en suite facilities although most use shared bathrooms. We encourage students to mix with other nationalities in shared rooms and for younger students coming alone, the multi-bedded rooms are the best way to make friends and have fun. Children are supervised in the accommodation blocks and there is a “house person” on duty at all times to look after the students’ welfare.

FOOD

All meals are provided by the college in the spacious and charismatic dining hall. There is a wide variety of choice on offer on the menu, from traditional “fish and chips” right through to an extensive salad bar. We can cater for all dietary needs including vegetarian and halal.
