Who is this course for?
Our Explore English course is for students aged 12-17 who want to improve their English in an online international environment. As well as improving their language skills they will interact with students from across the world and learn about other cultures through our weekly themes. This course gives students an international experience from their own home with a range of engaging social activities.

SUMMARY

Course Content

Students will follow a programme of 6 hours of English lessons and 1.5 hour conversation club each week with a choice of daily activities to take part in. Activities include coding, music, art, sport, drama, book clubs, dance class, movie clubs, meet the animals, talks from inspirational speakers and so much more!

All lessons are delivered by qualified English teachers who specialise in supporting students in an online environment. Students follow our weekly themes which allow them to improve their English while learning about other subjects. These include:

- **Environment (Our Planet)**
- **World Culture (Our World)**
- **News and Environment (Our Space)**
- **Science and Technology (Our Future)**
- **Society (Our Community)**

Price: £115 per week

As well as English lessons, our Social programme allows students to continue to learn in a fun and relaxed international environment. Students practise their English inside and outside of the classroom, for the best learning experience.

Learning Outcomes

- ✓ Improve their spoken English
- ✓ Increase their vocabulary
- ✓ Make new friends from around the world
- ✓ Discover new cultures and concepts through our weekly themes
- ✓ Learn to use new technology
- ✓ Learn in a fun and exciting online environment
