An introduction into English

(7-12 years)

The stay is an inspirational experience which has a striking influence on the child's early international personality. The school, recognising that the safety and well-being of the children in its care is of the utmost importance, provides 24-hour supervision and a ratio of 1 adult to every 4 students. All teaching staff live on campus and no child is allowed out at any time, unless accompanied by an adult.

The programme

The programme enables the learner to establish personal values as a foundation upon which international mindedness can develop and flourish. In addition to improving their English students develop good citizenship, organisational skills, presentational skills, and an increased sense of responsibility for their belongings, the environment and themselves.

This tailored approach to learning spills into every part of the programme, thus making the entire experience a pedagogic process. The classroom is not the only place where students learn and practise their English. The imaginative and enjoyable activities are a way to explore the English language.

Students choose between a variety of activities such as sport, art, drama and team building exercises. These facets of the programme allow students to discover something entirely new while practising and perfecting their language skills. Two half day trips form part of the programme. As students visit cities and explore the English culture, they shape their cosmopolitan identity.

Accommodation

Homestay

Integration into family life is essential to make the student's stay in the country enjoyable and to make the learning process complete. Living with a family gives students the opportunity to practise what they have learned during the lessons.

All families meet OISE's standards: the houses are comfortable, the hosts are welcoming and, above all, are genuinely interested in receiving young guests and helping them to develop fluency in the English language. Students share the family's way of life by having breakfast and dinner with them, and joining in other activities such as sports and discussions. OISE also ensures that each pupil gets the maximum opportunity to practise their language by not accommodating two students of the same mother tongue in the same home.

Residential

Most schools are set in their own grounds and offer excellent sports facilities: tennis courts, swimming pool, sports hall with courts for volleyball, basketball, badminton, etc. The days are packed full of learning activities with a full evening social programme to complement the daytime programme.

All meals are provided on both homestay and residential courses.

Student welfare and total customer care

OISE is committed to providing a safe learning environment for students.

Every staff member plays their part in ensuring that students' concerns are listened to and that support is provided throughout their stay.

A 24 hour emergency helpline for all OISE customers is available year round.

Travel

From the moment they arrive, students are looked after by trained OISE staff (except in cases where parents have informed OISE that students will be arriving independently).

This high level of supervision is maintained throughout the course and includes the departure day up to the point where the students enter the departure lounge.

Arrival / departure transfers

Transfers are arranged by OISE on standard dates and times. Outside of standard times a private transfer service is available.

7.3 The law requires us to obtain your express consent to Us providing Our services where the starting date of the Course falls during the 14 day cancellation period referred to in clause 7.1(a). By making your Booking, you will be treated as giving this consent. You acknowledge that if you subsequently cancel, We will be entitled to deduct an amount from the Fees paid which is in proportion to the services that We have performed up to the date of your cancellation.

7.4 Once a Course has begun, you may cancel your Booking with immediate effect by giving Us written notice if:

- (a) We break this contract in any material way and We do not correct or fix the situation within 30 days of you asking Us to do so in writing;
- (b) We go into liquidation or a receiver or an administrator is appointed over Our assets; or
- (c) We are affected by an Event Outside Our Control.

8. Our rights to cancel and applicable refund

8.1 We will not be liable or responsible for any failure to perform, or delay in performance of, any of Our obligations under these Terms that is caused by an Event Outside Our Control.

8.2 An Event Outside Our Control means any act or event beyond Our reasonable control including but not limited to strikes or other industrial action, civil commotion, terrorist attack or threat of terrorist attack, epidemic, adverse weather conditions or other natural disasters.

8.3 If an Event Outside Our Control takes place that affects the performance of Our obligations under these Terms:

- (a) We will contact you as soon as reasonably possible to notify you; and
- (b) We will, where possible, propose alternative arrangements (which may include alternative dates or venues) for the Course.

8.4 You may cancel your Booking if any alternative arrangements proposed by Us are unsuitable for any reason, in which case We will refund all Fees paid in advance for the Course.

8.5 We reserve the right to refuse your attendance on the course if you are suffering from any illness, medical condition or mental or physical disability which was not disclosed at the time of Booking.

9. How we may use your personal information

9.1 We will use the personal information (including sensitive information about your health, religious beliefs and practices or dietary requirements) that you provide to Us:

- (a) to administer and provide Our Courses to you;
- (b) to process payment in relation to any Booking;
- (c) for internal training and monitoring purposes; and
- (d) to inform you about similar Courses and other services that We provide, but you may stop receiving these at any time by contacting Us.

9.2 We will not give your personal data to any third party other than:

- (a) as strictly necessary for Us to perform Our contract with you;
- (b) to host families; or
- (c) to the schools and offices within our group companies (which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006) including those outside the European Union.

9.3 You have the right to access information held about you. Your right of access can be exercised in accordance with the Data Protection Act 1998. Any access request may be subject to a fee of £10 to meet Our costs in providing you with details of the information We hold about you.

9.4 We may wish to use photographs and audio visual media containing your image or likeness in our marketing and promotional materials and you hereby consent that We may do so in all and any media for such purposes. If you would prefer that We do not, you should notify Us by completing the relevant section of the registration form. We will also confirm this with you where we have a reasonable opportunity to do so. Copyright in any photographs or audio visual media continuing your image or likeness shall belong to Us and shall not entitle you to receive any royalties or other payments.

10. Specific terms for Young Learners (7-17 years)

10.1 We reserve the right to issue disruptive students with a warning letter and, if there is no improvement in behaviour, to send them home at their parents' or guardians' expense.

10.2 We further reserve the right to send home without a warning letter any student committing a serious offence, especially offences involving the police, including theft, smoking in any school building and the possession, purchase or consumption of alcohol or illegal drugs.

10.3 For children who will stay with host families, parents may indicate on the registration form whether they authorise their child to stay out in the evenings without supervision. Generally, this means that children aged 13 and under are not allowed out unsupervised after their evening meal; those aged 14 and above must return by 22:00. However, students must also respect the house rules of the host family, where these times may inconvenience the family. Children on residential courses have evening activities and are not allowed to stay out unsupervised. Please note We cannot be held responsible for any incident whilst the student is out unsupervised.

10.4 Students aged 18 and over must register for an adult school. We reserve the right to transfer an 18 year old from a young learners' Course.

11. Other important terms

11.1 These Terms set out the entire agreement between you and Us relating to your Booking.

11.2 We may transfer Our rights and obligations under these Terms to another organisation, and We will always notify you in writing if this happens, but this will not affect your rights or Our obligations under these Terms.

11.3 This contract is between you and Us. No other person shall have any rights to enforce any of its terms.

11.4 Each of the clauses in these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

11.5 If We fail to insist that you perform any of your obligations under these Terms, or if We do not enforce Our rights against you, or if We delay in doing so, that will not mean that We have waived Our rights against you and will not mean that you do not have to comply with those obligations. If We do waive a default by you, We will only do so in writing, and that will not mean that We will automatically waive any later default by you.

11.6 These Terms are governed by English law in the UK and by US law in the USA. You and We both agree to submit to the non-exclusive jurisdiction of the English courts.
