*Address: The Manor House, Dawlish
Devon EX7 9AP*

Location and Centre

Devon is home to some of the UK's finest beaches and traditional seaside resorts, of which Dawlish, on the south coast of the county, is no exception. Situated 300km south west of London, this small but lively town has played host to many happy holiday makers over the years.

With a capacity limited to 48 students, OISE Dawlish has a warm family atmosphere which makes it perfect for those who are visiting England for the first time. The school itself is nestled in picture-perfect grounds complete with a trickling stream.

Due to its exclusive seaside location, the leisure programme has been specially tailored to include activities on the beach – always a popular option!

The Summer School Programme (27 hours per week, maximum 8 students per class)

The Summer School Programme is a full time course of 27 hours of tuition per week, with a maximum of 8 students per class. Through this course, we aim to develop in our students an intellectual and social understanding which will lead to a fulfilling life, both personally and professionally. We do this by delivering a full day of learning which focuses on language, academic literacy, subject literacy and social and cultural fluency. All levels from beginner (A1) to advanced (C2) can be accepted.

Accommodation

Accommodation is with host families living in Dawlish and nearby Teignmouth within a five minutes bus or train journey along the seafront to school. All host families are thoroughly inspected and their credentials checked. There will be no other student of the same mother tongue in the house.

Activities and Excursions

One evening per week there will be a social activity for all students. Typical activities include film nights, barbecues, talent and fashion shows, quiz nights, art challenges, casino nights and theatre workshops.

Every Saturday, there is a full day excursion to a place of historic or architectural interest such as the Barbican Centre in Plymouth, an outing to the National Marine Aquarium or a visit to the city of Exeter. Sundays will be spent with the host family.

Young Learners are greeted by members of the OISE courier team from certain airports within standard hours as part of the package.
