

## OISE York

Open from the 1<sup>st</sup> July until the 21<sup>st</sup> of July 2018

### Location

The historic city of York in North East England is nearly 2000 years old. It offers a wealth of heritage attractions linked to its Roman, Saxon and Viking past, within the ancient city walls. The city has a lively atmosphere with many cafes, markets and independent shops, as well as the more modern attractions of a large city. York also offers easy access to the surrounding Yorkshire countryside and beyond.

OISE York takes place at Queen Ethelburga's College, around 20km from the centre of York, set in 100 acres of rural countryside. A typical English destination!

### Activities and Excursions

On Wednesday afternoons students will explore local points of interest in York such as York Minster, museums and the historic Shambles.

Every Saturday there is a full day cultural excursion to major northern cities such as Liverpool, Manchester, Whitby and Leeds. With each location having many interesting cultural and educational sites, students gain an even better understanding of what makes the British culture and language. On Sundays there are activities or an additional excursion.

### Travel

Young learners are greeted by members of the OISE travel team at designated airports, within standard hours, as part of the package. Students arriving in London are usually transferred to the Welcome Lounge, a nearby facility with food, refreshments and activities to keep students occupied until they are taken onwards to the school. (Manchester arrivals travel directly to the school).
