# Regent at Stowe

## Exclusive. Impressive. Stimulating.

Our residential summer camp at Stowe provides students with the experience of a lifetime, in an amazing environment for learning and personal development.

Stowe School is very special. We use the stimulating educational environment to heighten our students' learning using the arts, culture, architecture and sculptures found in the school and grounds.

The exceptional Stowe School is one of England's most prestigious boarding schools and is set in 750 acres of outstanding parkland. It was home to England's wealthiest man, the Duke of Buckingham, who often entertained the King at Stowe. The parkland around the house was developed into landscaped gardens which are now some of Britain's finest. The network of paths shows off the numerous temples, sculptures and lakes that fill the landscape. It also has impressive sporting and leisure facilities.

Stowe School has had some famous students. The entrepreneur Richard Branson of the Virgin Group went to school here, as did AA Milne, who wrote Winnie the Pooh. More recently the actor Henry Cavill (Superman) was a student. And in the 1960s The Beatles played a concert in the theatre - there is still memorabilia in the school. Stowe is the perfect setting for learning.

### Conveniently located

Stowe is easily accessible – it is 6km from the town of Buckingham, 45 minutes from Oxford and 90 minutes from London. The closest airport is London Heathrow. Students arriving at Heathrow or Gatwick on our start dates and during our pick up times are brought to Stowe by coach or taxi.

### Living on campus

Stowe is a very safe and secure environment. Students have a single room or share with different nationalities. Each residence has a Common Room that students use to chat and relax in. All meals are taken in the impressive State Dining room in the Stowe mansion, except on excursion days when packed lunches are provided. We operate a banking service for pocket money and lockable storage facilities for valuables. Staff are residential and live on site to ensure 24 hour supervision and care.

### Releasing energy and talent

All students have an activity session filled with a variety of sports or other activities. Sports in the grounds include rugby, football and basketball and we also use the swimming pool, sports hall, astro turf and tennis courts. We offer swimming, water-polo, netball, yoga, volleyball, badminton, rugby, football, basketball, dance, nature walks, cooking, henna, craft, art, clay modelling and more.

### Gaining knowledge and culture

Each week we take students on a half day excursion to a local place of interest, and a full day Saturday excursion to great cities like Oxford, Cambridge or London, or to Shakespeare's birthplace, Stratford upon Avon. We prepare students in advance with briefings and observation tasks.

## Young English World – Senior

This intensive, action-packed course for students aged 13-17 includes 25 hours per week of structured English language lessons and team performance projects, plus six hours of afternoon sports or activities geared to the students' interests followed by lively activities every evening. Every week day, Language Skills and Language Structure lessons are followed by a unique Interest Based Learning session which nurtures academic success, encourages critical thinking and utilises the student's interests in life such as Sport & Health, Music & Performing Arts, Art & Design, or Science & Technology.

### Using English for real life tasks

After lunch, the weekly Performance Project theme challenges students to question the world around them and to discuss, compare and evaluate what they discover. Each week students make a film, drama, debate or presentation in which they showcase their learning. Seniors then choose from a range of sports or arts activities, and after dinner have an engaging team building activity to reflect on leadership and develop team working skills. This is followed by a lively event such as a Talent and Fashion Show, Murder Mystery or Casino Night.

### A caring and motivating experience

We have dedicated course leaders and teachers, skilled at engaging youngsters and helping them interact in English. ## Learning with Regent

Regent was established over 50 years ago in 1964 by a passionate, experienced teacher who ran his first summer school in 1965.

Our core values shine through our programmes:

### Positive

We believe that everyone can learn to use English proficiently; we push each student to become an effective communicator. We create a positive, enjoyable environment praising effort and attitude and encouraging every individual to achieve their best.

### Inclusive

Every student is in several different classes or teams. We arrange whole course activities so that students quickly feel part of the group, and can connect meaningfully with staff and other students.

### Results focused

Our courses are educationally-led and designed to ensure robust progress. A coaching session, daily homework sessions and weekly tests help students to set goals and visualise progress. They create a learning portfolio throughout their stay to record results and achievements. At the end of the course students receive a Certificate and progress report.

**Transfers:** For arrivals into Heathrow and Gatwick airports we provide a group pick up and welcome lounge on our start and finish dates.

**Assistance:** A 24 hour emergency contact line is in place throughout the duration of all courses.
