## LANGUAGE VACATION FOR THE WHOLE FAMILY

All family members learn German in age-appropriate, international groups or together in a private group, which all take place in the morning:

- Children and teenagers (11-16 years) in the junior program
- Adults in summer courses
- Or the whole family together in a private course

Private courses are also available in other languages such as English, French, Spanish, etc.

We organize accommodation in apartments with self-catering or rooms with full board in the residence.

We would be delighted to make you a suitable offer.
